3	John Crosby	NATO	M65	18:42:00	19:46:41	01:04:41

Thanks to everyone for coming on such a cold night and the known wet ground.
I tried to use the variety of areas around Prudhoe. There are some challenging parts especially the woods and Cockshott Dene. It can also be a demanding physical challenge. The winning time was about what I would have guessed. I tried to provide a mental challenge as well with most legs giving a definite route choice.

Patrick
